

Easy Homemade Butter

We have made this recipe a Thanksgiving Day tradition in our family since my son was in kindergarten. Open the container and -- voila! -- you have homemade butter. Pour off the buttermilk (or drink it if you like) and place the butter in a serving dish. Great on dinner rolls. The little ones will be proud to have helped prepare the meal.

Recipe by [Aaron Schmitt](#) | Created on **Nov 11, 2021**

Ingredients

- 1 pint heavy cream

Directions

- Fill airtight containers approximately half full with heavy cream. Securely cover containers and shake until thickened.
